

Product Bulletin: Couvrette Services Dallman Kiosks

If You Used Dallman, Call Couvrette

Couvrette Building Systems offers a solution to financial institutions who purchased Dallman kiosks and surrounds and need service and/or replacements for their investment. Former Dallman customers have turned to Couvrette for all types of servicing, replacement, and branding of kiosks. Our service technicians are trained and qualified to work on Dallman products. If your Dallman product needs to be replaced, Couvrette's Account Executives will work with you to design a kiosk footprint that either works with your existing island or minimizes site disruption. Also, we offer rebranding services for all competitor installations to update, improve, and add to your corporate identity.

Repair Services

Couvrette technicians are trained to service all kiosks and surrounds, regardless of the manufacturer. We have certified technicians that can troubleshoot and repair Dallman kiosks. Couvrette's Dallman kiosk service manual can be downloaded from [this link](#). If your Dallman kiosk needs to be replaced, Couvrette Account Executive will work with you to minimize and perhaps eliminate construction modifications to the existing site. We can closely match existing footprints, site plans, and other physical space requirements. Couvrette's complete line of kiosks, surrounds, canopies, and toppers offer a wide variety of choices for updating your aging Dallman installations.

Rebranding Services

Couvrette's team of field service employees can update your Dallman (or other manufacturer's) kiosk at a fraction of the cost to replace, with minimal equipment downtime or site disruption. Our paint and graphics specialists are able to remove existing exterior paint and graphics and replace them in a matter of days. The photos below illustrate just one job where Couvrette replaced an unbranded Dallman kiosk with the financial institution's branding.
