

NEW Product Bulletin: Ultra Slim Custom Kiosk

29.75" x 74" x 10.5' Kiosk with Diebold Opteva 750

Sky Bank of Ohio selected Couvrette Building Systems to design an ultra slim ATM kiosk for a number of their locations. The custom metal kiosk offers high visibility using a 10.5' kiosk and canopy while keeping the building depth to only 29.75" the width to only 74". Custom paint using automotive quality polyurethane paint with a ten (10) year warranty offers a highly durable finish to the building. Backlit signage on the canopy acts as a transaction magnet with high impact.

From Concept to Completion -- About Couvrette Building Systems

Couvrette Building Systems, established in 1973, provides a full line of services and products to financial institutions, government agencies and commercial/industrial enterprises. Industry experience and knowledge enables Couvrette to provide its customers with a level of service unmatched by our competitors.

We are a full service General Contractor with on-premise electrical, data, CADD, construction and millwork departments. We are a customer-oriented company with capabilities for Project Management and Design builds. Our crews and office support staff consists of experienced individuals who together compliment the "Couvrette Team." We are a dedicated group of individuals who offer nationwide, twenty-four (24) hour a day, seven (7) day a week service.

Couvrette Building Systems offers the complete turn key services, from site planning, design and construction of the ATM enclosure, delivery, installation and routine service. We provide quality workmanship, adherence to budget and on-time completion. We have the stability, experience and

competitive drive to provide our customers with a level of service, integrity and reliability second to none.
